Self Pay Immunization Pricing (additional to office visit)

- N/A
- \$25 - TB, Influenza
- \$50 - *Tdap / Td / Dtap, IPV, Hep A & B, HIB
- \$100 - Pneumovax, MMR, Dtap-Hib, Rotovirus
- \$125 – Varicella, MCV, PCV
- \$150 – Gardasil

*These tetanus immunizations can be combined with a "Complex Procedure" office visit or considered the procedure in the "Simple Procedure" office visit.

By selecting one of the self pay options above, you:

- You acknowledge you do not have applicable insurance coverage for this date of service.
- Agree to only contact Foothills Family Practice for an insurance claim OR procedure codes if needed for reimbursement from your HSA/HRA/FSA account or motor vehicle insurance.
- Understand that failure to comply with the Self Pay Agreement makes you responsible for the Billable Charge (see above) for the level of care received.
- Understand that if labs are sent to an outside laboratory, you are financially responsible for the bill.
